SUBJECT <b>TYPIC/OPERATIONAL Termination of Benefit Payments Under Project AMBUD</b>					
ACTION REQUIRED REFERENCE					
<p>REF: UFGA 18908, 4 December 1964</p> <p>1. Headquarters regrets that it has not been possible to reply to reference sooner. The delay has resulted from the need to review carefully the files on this activity. It is apparent from previous correspondence that approval to terminate subsidy payments will have to be obtained from higher authority - which has not yet been done.</p> <p>2. You may rest assured that Headquarters sympathizes with your point of view in the matter and will endeavor to take action if appropriate authority can be obtained. However, this is likely to be a slow process and you are requested to continue the program until such time as you are advised to the contrary.</p> <p>3. The second reference cited in ref dispatch is apparently in error. Please forward the correct reference which Headquarters might have located if the files on this case were not so sadly deficient.</p> <p style="text-align: right;"><b>CHESTER D.
